

**Useful information
for quicklink owners**

Did you know?

Your Quicklink

contains:

your company profile

your contact details

Chat and news

PDF view

and

works for you:

Your Quicklink:

Makes your advertisement more successful

Prospects & customers get your contact information easier through a memorable code.

It's easy to use for interested people and clients

Only remember your Quicklink and enter it in the Quicklink App. Done.

Make your contact details interactive

Interested people and clients contact with you just by pressing a button!

Creates contact instantly between interested people and your company.

For it to work,
keep in mind:

**Don't
forget:**

**You
have a
Quicklink!**

Your Quicklink belongs in all your advertisement:

Everywhere, where your contact details are, put your Quicklink in too:

- on flyers, posters, business cards
 - on car lettering/branding
 - in your radio advertisement
 - in articles on newspapers
 - on Social Media
- in the contact area on your website
 - in your E-Mail signature

**To do so use use your Quicklink file.
We'll send it to you gladly.**

Stay in contact

Send information and news to your followers directly from your customer account.

Also to anonymous interested people!

Check your statistics

You can find your number of followers in your client area.
